

POLLOCKS  
**INTELLI**  
SCHOOL

12<sup>th</sup> July, 2018.

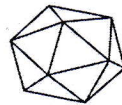

Dear Parents,

We are excited in organising a Parent-Teacher Conference in the School on Saturday, July 14, 2018 **between 9.30am and 12.30 pm** for all classes (Nursery to Grade-VII). We request you to be in school by 9.30 am to witness your child participating in cultural programme. This is a time of Introduction and Interaction with the teachers who have been teaching your children. We are sure by now they have settled themselves in the school with new friends, and new methods of teaching.

Please note, there will be school transport **only for students in the morning at the usual time**. Parents can take them back after the conference. School transport is not available while returning. It is very important that you attend the meeting as you should know the teachers who are teaching your children. Your co-operation is highly appreciated.

Thanking you,  
Regards,
