

Dear Nurturer,

16.10.2021

We would like to inform you that we are left with few days for the **TERM-I** examination, which the **CBSE** Board will conduct in the month of November. Hence we are sharing vital points to be kept in mind before the commencement of the Examinations:

1. One-to-one interaction with the respective co-learners will be initiated for a better understanding of the seriousness of the Examination.
2. Blueprint/ Design of the paper as issued by the **CBSE** will be shared and explained again to the students.
3. There will be no leaves approved or holidays given during the Revision Program.
4. On every Sunday, a one-hour Online Assessment will be initiated to better the students with the concept.
5. We request students to carry the Student Diary given by the school to note the everyday schedule and happenings of the classroom transactions.
6. Nurturer - Colearner Term-I Interaction dates will be announced shortly by the Grade Colearner.
7. Grade -X Pre-board 2 will commence from **25th October 2021**.

Team Intelli.
