Dear Parent,

19th July 2018

Sub : School Parent App - Regarding

Greetings from Pollocks family, Visakhapatnam. We take pride in embracing new technologies and as an extension we are using our School's Parent App. It has proved to be a very effective tool of communication between the Parent & School. All information on Daily Activities, Pupils Attendance, Exam Results, Calendar, Time-table, Events Photos, Circulars, Class-works, work sheets, Assignments are being sent to you through this Parent App with regard to your child. This App is available both for Android phones & iphones. We have already sent you the installation instructions & links by sms. The login id will be your registered mobile number to which you receive the daily sms messages from School.

KINDLY NOTE : In case you are not receiving the Homework SMS messages from School daily, we request you to contact the School Office immediately & update your Mobile No with our database (or) please fill this form overleaf and send it back to the class-teacher.

Geetha
Mrs. Geetha Vijayan,
Headmistress,
